By giving, you are helping us continue to offer programs that focus on healthy lifestyle for the young women at the Boys & Girls Club. These programs help to reduce participation in risky activities like drug and alcohol use, premarital sex and juvenile crime, help define goals for the future, understand self-worth, and create plans for academic success. These programs and these girls need YOUR support.

Please return this form no later than January 27th. You are also welcome to contact Kate Lacy with your information (541.760.8782 or kate@bgcgreaterantiam.org). We look forward to hearing from you and appreciate your support of the Boys & Girls Clubs of the Greater Santiam!
