PROGRAM SPONSORSHIPS

Every donation makes a difference, no matter the size. Your gift today helps us to cover ever increasing costs and continues to allow us to provide scholarships available so that every family has access to our support.

Now more than ever, families in our community are relying on the Boys & Girls Club to keep their children safe and cared for. These families often have nowhere else to turn. Your donation of any amount is truly a gift to the children and families who rely on us.

VOLUNTEER OPPORTUNITIES

Volunteers are invaluable to us BGCBS and we're truly appreciative of your support. Every year, several hundred volunteers serve at different capacities across all of our programs and events. Our after-school program helps elementary school children develop the social, emotional, and academic skills necessary to excel at home, in school, and beyond. Every day, hundreds of children participate in hands-on, fun activities that teach them how to be great citizens and give back to the world they live in. From fun fitness activities and nutrition classes to S.T.E.M. and art lessons, our members know all about having fun with a purpose. Children receive bussing from school (even on early release days) and a full meal in a fun and safe environment upon arrival.
